THE RIDER & STABLE STAFF ACCIDENT PLAN

IF YOU SPEND YOUR LIFE AROUND HORSES, YOU'LL KNOW ABOUT THE DANGERS OF WORKING WITH ANIMALS. THEY CAN BE UNPREDICTABLE AND ACCIDENTS CAN HAPPEN AT ANY TIME...

PROTECT YOURSELF

Every time you get on a horse, or work near horses, you're at risk of getting injured. And when injury happens, it can cost you financially. Perhaps you'll need to take time off work to recover, or money to pay for your treatment and check-ups.

This is why we've created the Rider & Stable Staff Accident Plan. It's for those who spend their lives around horses – who want to enjoy what they do, knowing that if a serious accident takes place, you'll get money to help with your costs.

RAISING THE STANDARDS

We are delighted to be working in partnership with ISSA and AIRE to create new standards of customer and employee safety. Together we want to ensure everyone has protection in place so they can enjoy their activity without having to worry about accidents.

THERE'S A BUZZ ABOUT HIVE

Buying insurance can be complicated, but it really shouldn't be. So we've set out to do things differently - create a bit of a buzz if you like...

With over 20 years of experience behind us, we're obsessed with one thing - and that's making insurance simple and accessible to all.

And we're doing this for a good cause - so more people can better protect their lives making them feel safe, secure and happy.

WE'RE ALSO DOING OUR BIT...

We feel it's not enough to simply protect our customers. We're also deeply committed to protecting the environment and minimising our impact. So every member of the Hive team has signed up to 20 promises to work as sustainably as possible.

Our pledges focus on the key ways we can work sustainably, like recycling, reducing paper usage and waste, saving energy and carbon offsetting.

And we encourage all our customers to contact us and sign up to receive our regulatory communications by email. By doing so, we can reduce the amount of energy used in printing and posting, plus there's less paperwork for you to manage.

Why not take a look at our website, www.hiveinsure.ie to find out more?
