# WELCOME TO THE GUARANTEED LIFE PLAN

**LIFE INSURANCE IS ONE OF THE MOST IMPORTANT FORMS OF PROTECTION AND AN ESSENTIAL CONSIDERATION FOR MANY PEOPLE...**

Yet buying life insurance isn't always an easy and straight forward process, particularly if you have a complex medical history, take part in certain sports, or have a high risk occupation.

## LIFE WITHOUT THE FUSS

Very often you'll have to complete numerous questionnaires and wait weeks for the insurer to collect your medical history. And at the end of this process, the insurer may decline to offer you cover, or increase your premiums to an amount you can no longer afford.

This is why we've created the Guaranteed Life Plan, a no-fuss approach to life insurance.

There are no underwriting questions making the whole process refreshingly quick and simple. And you'll have the reassurance that your premiums won't increase during the application process, so no nasty surprises at the end.

Life's simple - lets keep it that way!

### PEACE OF MIND ON YOUR PREMIUMS

When you take out the plan, you'll have the reassurance that your premium won't change for the first 5 years. After this period, we'll write to you to let you know your new premium, which will be fixed for another 5-year term.

At the first 5-year renewal date following your 56th birthday, your life insurance benefit (and critical illness benefit if chosen) will be reduced by 50% and your premium will be recalculated.

Your life cover will end at the first 5-year renewal date following your 68th birthday. If you have chosen critical illness benefit, this will end at the first 5-year renewal date following your 61st birthday.

Please read the Policy Document for full terms and conditions. All premiums quoted include insurance premium tax and administration fees. They are correct at February 2022 and may change without notice.

Any new medical conditions will therefore be covered – but please refer to the Policy Document for full details.
